## **BHA Inc Policy of Photography/Videoring**

BHA Inc acknowledges that many parents and club supporters wish to take photographs and videos for both personal and club reasons and as coaching tools.

BHA Inc recognises that in the current environment in which we live, there is a potential for inappropriate use of Photography and Videoring.

Both the Association and the Clubs need to ensure that their members, parents and supporters are advised of their responsibility and only take photographs/videos for appropriate and genuine reasons. Clubs should do this through their club newsletters, noticeboards and team meetings.

**Clubs are:** to take responsibility for their members at each match they attend to ensure that they are using photography/video for an appropriate reason.

**BHA Inc:** if any club or supporter has a concern about the motive, intention or activity of anyone photographing/videoring at the venues used for BHA Inc activities we ask that they immediately contact one of the following to report their concerns:

- **Phyllis Hawgood, BHA Director of Admin – 0401 269 196**
- **Greg Swann, BHA Director of Juniors – 0419 026 096**
- **Colin Murphy, BHA President – 0414 728 317**

BHA Inc will then send a Management person to investigate the concern and advise of the appropriate action.

**BHA Inc with the Clubs:** can work to achieve a safe environment for the participation of all members and supporters. We ask for the support and vigilance of all members to make this happen.
