## Message from the President

### BHA President's Message

On behalf of the Association I would like to welcome you to our finals weekend.

We were fortunate as a sport to have been in a position to take full advantage of the relaxation of the Covid restrictions when they occurred and innovative enough to make the most of the time that we had. I would like to thank all of the Clubs, their players and their spectators for embracing that innovation and being compliant with the varying restrictions placed upon us. I trust that the cleaning skills developed over the last few months have been put to good use at home.

The break in the competition, and the uncertainty about its return, really placed our competition in perspective. Despite the on field rivalries, what was really missed was the competitive and social interaction with the people who make up our sport. We have a wonderful sporting community and I

encourage you to make the weekend a celebration of the contributions people make to it – on and off the field.

I would like to acknowledge the wonderful work of our partners, Alison Lyon's and her team at Hockey Queensland, Dr Karin Walduck and her team at BWA and my Board. All wonderful people who have gone above and beyond to make all this possible. Alison in particular is to be thanked for taking the lead for organised sport in Queensland and being instrumental in the creation of the Return to Play initiatives which was adopted by all field sports.

2020 will be remembered for many things – one of which is the resilience of our sport and our people.

## BHL1 Grand Final Preview

Labrador will tackle Easts in the grand final for the third time in four years with the Gold Coast side looking to defend their premiership title, after winning last season's final 4-2.

There is little between the teams heading into this blockbuster final. They finished one-two on the ladder equal on competition points, with Labrador winning the Minor Premiership with a superior goal difference. The sides couldn't be separated on the field this season either, playing out a 1-1 draw earlier this month.

For the second year in a row Labrador will have to win the big game without one of the Wotherspoon siblings, after Dylan flew to Perth this week to link with the Australian Kookaburras squad.

Last year his brother Blake missed the grand final while playing in Belgium. The defender has slotted 30 goals this season, including four in Labrador's 4-2 semi-final win over Commercial. Easts goalkeeper Casey Lee must repel his deadly penalty corner drag flicks today.

The experienced Adam Imer, Brent Livermore, Luke Tyne, Joe Reardon and Brad Hughes will lead Labrador's young brigade including Luca Brown, Will Mathison and Joe Sandor.

Easts are without two Australian players in Tim Howard and the injured Mark Knowles but are in capable hands with the likes of Hugh and Matthew Pembroke and emerging stars Michael Doan, Tyler Spry and James Easton.

After drawing 1-1 with Commercial in week one of the finals, Easts advanced to the grand final with a 2-1 win over Pine Rivers St Andrews last weekend – and again their defence holds the key to a grand final victory.

Up front, Scott Boyde, Mackenzie Warne and Jacob Webber, who recently slotted his 300th career goal, have been doing the bulk of the scoring for the Tigers this season – *Lee Oliver*.
