

Hi Clubs

The WoW Hockey Brisbane program is building to be pretty exciting, but we will need some help to direct participants and their families to connect with your club!

It is hoped that by running these events, we can reach out to a new platform of families and new potential club members to grow our clubs and hockey community.

Your club may already have a family with a member that has a disability or intellectual impairment that may wish to participate or be an ambassador for this program?? If so I would love to hear from them!

We hope to get some media coverage of the WoW events, highlighting that hockey is a family sport for everyone, not just disabled or intellectually impaired players but those recovering from injury, age, hearing impaired and mobility limitations.

In **2019 Brisbane** will host the **INAS Global Games** where **Hockey will be a demonstration sport** amongst other elite parallel sports such as Athletics, Basketball, Cycling, Futsal, Rowing, Swimming, Taekwondo, Tennis and Table Tennis.

This is a very exciting time as it's a huge opportunity where we can get our local hockey clubs on the world stage, as it could be your club's athletes/members competing and representing QLD Hockey in the INAS Global Games.

If you could canvass your members/families to see if they would like to come down to the Brisbane Hockey WoW events, mingle with the participants, play, umpire or even just assist with equipment distribution etc it would be a great avenue to recruit to your club.

If interested club representatives could register their interest by emailing me, that would be appreciated.

I am happy to respond to all enquiries by email or phone m: 0402 446 141.

I look forward to working with our clubs to build memberships and make Hockey even Greater!

Thanks
