

Step 3

Badge Application – Practical Component

Once you have completed your theory component

(<http://hockey.org.au/Participate/Hockey-Ed/Hockey-Ed-Umpire>), you must complete a practical component in order to obtain a badge.

This involves being assessed while umpiring a fixture, by a Hockey Queensland or BHA approved assessor.

You may be required to umpire up to three fixtures, to the discretion of the assessor.

You have the opportunity to complete your practical component via club fixtures, or attending the U11 Southern Cross / relevant aged State Championships.

Fill out the below information, and return to umpires@bha.org.au asap.

Name	
Club	
Current Playing Division	
D.O.B	
Contact Email	
Contact Number	
Current Badge	
Badge Applying For	
Division You Currently Umpire	

Are you interested in umpiring at a State Championship, representing Brisbane?

If yes, which? _____

Do you know possible fixture dates you're available to be tested?

You will be contacted via email regarding possible dates to complete the practical component, subject to the availability of assessors.
